OBITUARY - LAURIE PITHER, HAMPSHIRE RC1936 - 2009

It is with sadness that I have to announce the death of Laurie Pither. A genuine all round clubman he had served on the South DC Committee for 10 years and was still responsible for co-ordinating all the many club events in the immediate Portsmouth area on behalf of the DC. His club's General Secretary since 1988, he also produced and edited their monthly newsletter, organised time trials, randonees and club tours to France and still found time to ride in events. On top of all this he still enjoyed many cycling (and skiing) holidays on the continent. He died in a road traffic collision whilst cycling on country lanes that he knew well.- he will be sorely missed.

Obituary written by Alan Sharpen (South DC Hon. Secretary)
