Clubs deemed to have resigned from membership (in accordance with Article 5)

Please note that under the provision of Article 5, clubs who have not renewed their membership by 1st January are deemed to have resigned from membership must re-apply to the appropriate District Council using the correct form. Clubs so re-applying for membership shall pay a re-joining fee of £20 in addition to their affiliation fee. The National Secretary should be informed of such re-affiliations either by email or in writing. Any deviation from this procedure may result in the club not being re-instated on the Council's register of clubs.

BADGE OF HONOUR – GEORGE DAWSON TEESSIDE RC

Congratulations to George Dawson who was presented with a Badge of Honour at the Teesside VTTA Dinner held on 11th January 2009. A stalwart worker for the sport, George joined the Teesside District Committee in the late 60's and following over 20 years service finally resigned to make way for younger blood to drive the sport forward. He was Chairman of the Teesside District for 10 years, a member of National Council and also sat on the Appeals Panel until very recently. He was particularly well known as a course measurer, a role he carried out until he was 80 years old. He still remains very much in evidence as one of the "backroom boys" always being available to offer advice and guidance on time trialling related matters, and ready to step into the breach when required.
We thank George for his outstanding contribution to time trialling and very much appreciate all that he has done on behalf of the sport.

PUBLICITY CAMPAIGN

During 2009 CTT will be running a series of advertorials in "Cycling Weekly" aimed at getting newcomers into Time Trialling. Please find a copy of a short PowerPoint Show that outlines how we envisage this will work.
The CTT web site has now been re-designed and is now available on the current URL's.
As you can see there is a section specially aimed at newcomers (via the image on the left or through the Beginners link across the top). This area is not yet complete but we hope to have it finished shortly.
In order for the campaign to be a success we need the help of our member clubs.
We wish to compile a list of our member clubs that:-

- Welcome New members
- Promote their own club (and preferably) Open Events
- Run their Club Events on a "Come and try it" basis

If your club fulfils these requirements and you would like to be included then please let Keith Lawton know.
As the year progresses we also aim to include "Club Events" in the list of events on the web site. In order for them to be fully integrated with the Open Events you will need to contact Keith Lawton on 01977 683869 or keith.lawton@cyclinglingtimetrials.org.uk who will send you a template in the required format.

MINUTES OF THE 2008 NATIONAL COUNCIL

The Minutes of the 2008 National Council Meeting have been approved for circulation to the Districts by National Committee. Copies are also available for downloading from our web site or hard copies may be requested from the National Secretary, in accordance with the provision of Article 18.

A MESSAGE FROM THE AMBULANCE SERVICE

We all carry our mobile phones with names & numbers stored in its memory. If we were to be involved in an accident or were taken ill, the people attending us would have our mobile phone but wouldn't know who to call. Hence this 'ICE' (In Case of Emergency) Campaign.
The concept of 'ICE' is catching on quickly. It is a method of contact during emergency situations. As mobile phones are carried by the majority of the population, all you need to do is store the number of a contact person or persons who should be contacted during emergency under the name 'ICE' (In
Case Of Emergency). The idea was thought up by a paramedic who found that when he went to the scenes of accidents there were always mobile phones with patients but they didn't know which number to call. In an emergency situation, Emergency Service personnel and hospital Staff would be able to quickly contact the right person by simply dialling the number you have stored as 'ICE'.
For more than one contact name simply enter ICE1, ICE2 and ICE3 etc.

THREE COPIES OF THIS NEWSLETTER HAVE BEEN SENT TO EACH DISTRICT COUNCIL SECRETARY. THEY ARE INTENDED FOR CIRCULATION TO MEMBERS OF THE DISTRICT COMMITTEE. THE NATIONAL OFFICERS AND MEMBERS OF THE NATIONAL COMMITTEE RECEIVE A COPY DIRECT. IF YOU WISH TO BE ADDED TO OR DELETED FROM THE EMAIL LIST FOR RECEIVING A COPY PLEASE LET PHIL HEATON KNOW.
