

CSSH Club TT @ Torcross 2nd June 2021

Thanks to Gareth Howells for timekeeping and Andy Morgan for marshalling at Carehouse Cross so that we could race.

It was great to be back racing in our club time trial after only one event last year because of the Covid-19 restrictions. This was the first of 4 club TT's with the next events over the Summer on the [7th of July](#), [4th of August](#) and [1st of September](#).

Well done to all of the riders who all put in good performances battling against the wind on Slapton Line.
