

## CSSH Club TT @ Torcross 7th of July 2021

Thanks to Gareth Howells for timekeeping and Dave Stembridge for marshalling at Carehouse Cross so that we could race.

Good to see some regular competitors at the event and a couple of new riders. Hopefully everyone enjoyed the race and the wind on Slapton Line.

The next of our Summer Club TT's is the [4th of August](#) with the final event on the [1st of September](#).

Well done to all of the riders. Hopefully we will see you all back again for our event in August and avoid clashes with other big sporting events.
