Date : Approved by District Committee 26 April 2005; Revised March 1 2008; Revised start/finish July 2017; Revised start/finish Apr 2021

	Location	Details of hazard	Risk before mitigating action (H,M,L)	Measures to reduce risk	Risk after mitigating action (H,M,L)
1	General requirements	Time of event meets CTT standards. Course clear on day.	L	Organiser to act on any course obstructions reported on the day.	L
2	Before start	Competitors parking. Competitors riding from HQ and warming up.	L	Organiser to prominently display head up sign at signing on.	L
3	Start area	Competitors waiting	L	Organiser to ensure cycle event warning triangle(s) placed before start and to brief start marshal only to allow one rider to line up in the road.	L
4	Start on A6 approximately 50m north of St Heliers Place (about 0.1 miles north of original start that avoids the traffic island).	Competitor/holder up falling.	L	No additional measures required.	L
5	Railway bridge south of White Horse pub.	Road narrows. Danger from passing traffic.	L	No further measures required.	L
6	Junction with St Michaels Road on left.	Traffic emerging from left. Riders have right of way. Good visibility.	L	Organiser to place cycle event warning triangle visible to traffic emerging from junction.	L
7	Newsagent on A6 shortly after junction with Bilsborrow Lane right.	Dander to riders from vehicles parked in cycle lane and entering/exiting newsagent.	L	Organiser to place a prominent notice at signing-on warning riders to take care at this point.	L

Location	Details of hazard	Risk before mitigating action (H,M,L)	Measures to reduce risk	Risk after mitigating action (H,M,L)
8 New roundabout on A6 servicing garden centre.	Danger to riders from vehicles entering and exiting garden centre. Riders must give way to traffic entering garden centre from Southbound A6.	M	Organiser to place warning signs visible to traffic exiting garden centre and traffic from southbound A6 entering garden centre. Also to place a prominent notice at signing-on warning riders to take care at this point.	L
9 Riders turn left at Kirkland Bridge onto A586	Danger from vehicles turning right off A6 onto A586 and also from traffic movements into village hall just after turn.	M	Organiser to place cycle event warning signs and position 2 marshals for direction and safety.	L
10 Riders turn left at mini roundabout in St Michaels, onto St Michael's Rd	Danger from vehicles turning right across riders. Riders give way to turning traffic.	M	Organiser to place cycle event warning signs and position 2 marshals for direction and safety.	L
11 Finish area with timekeepers only on grass verge (300 m west of Old Nells' on St Michael's Road at the white gate post at entrance to Primrose Hill farm house.	None.	L	No further measures required.	L
12 Return to HQ	Right turn at T junction with A6 shortly after finish.	L	No further measures required.	L
