

...a3rgSummerTime Trials 2022

(Promoted for and on behalf of Cycling Time Trials under their rules and Regulations)

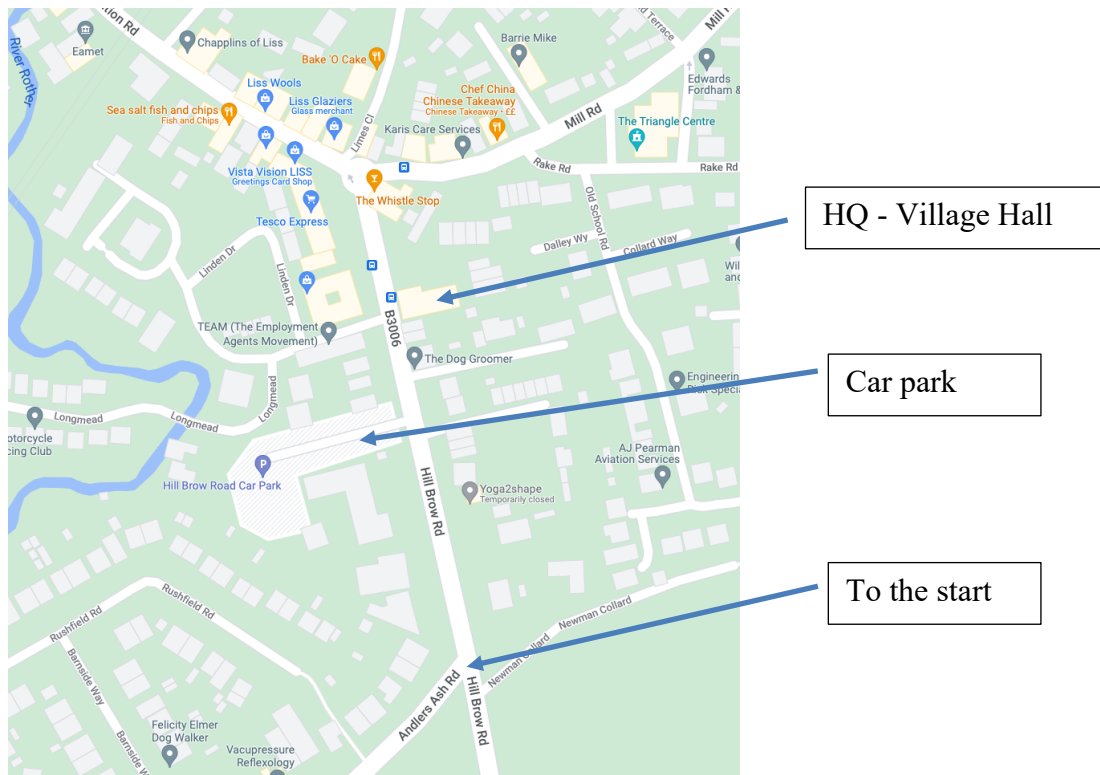

...a3crg Fast 50 mile TT

Sunday 10th July 2022 on the P881L/50 (A3)

Parking

There is a free car park opposite the Village Hall. Please be aware HQ is in a residential area and many will (sensibly!) still be in their beds, so please keep the noise levels down **and no turbos are allowed either in the car park or in the vicinity of any houses if you park elsewhere before 07.00.**

Do not park near the start on the verges. If you park anywhere other than the car park in Liss Village Hall please be considerate towards any residents nearby and do not park in the entrances to fields, on privately owned land etc.

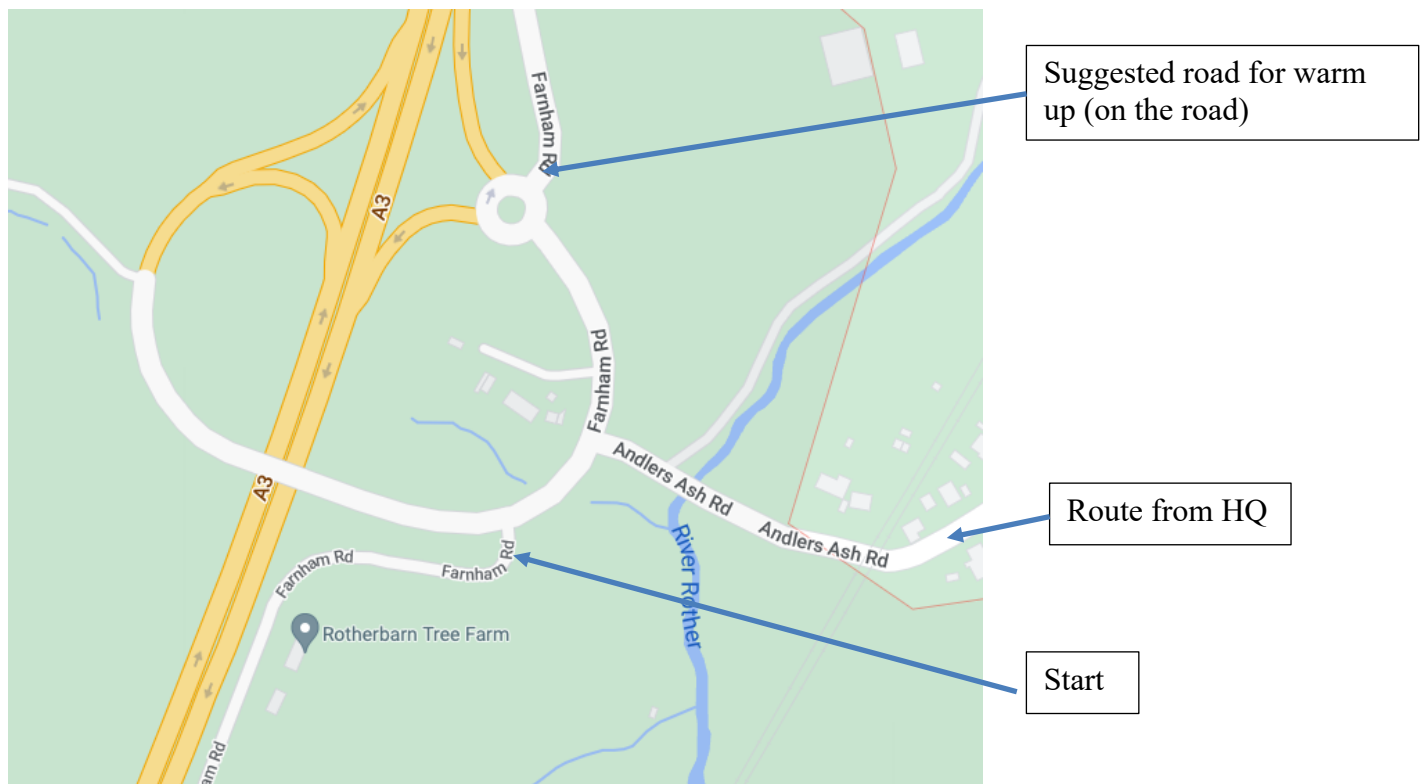

Warming up

Please no warming up on turbos where you will disturb local residents before 07.00. Farnham Road is a good place to warm up.

Route to the start

Turn right out of the Liss Village Car Park then next right into Andlers Ash Road. Continue along along Andlers Ash Road, over a level crossing, until you reach a T junction. The start area is on your left. Please be aware of other road users when you cross the road to the start and when waiting to start please don't block the road.

Route back from the finish

Once you cross the finish keep moving and DO NOT turn around and ride across Ham Barn RAB but continue on Farnham Road then take the first right towards Greatham Village then the next right (next to the church) onto Forest Road. Continue on Forest Road which then turns into Mill Road and brings to you a RAB in Liss. Turn left onto Hill Brow Road and HQ is on your left.
