## **A thank you note!**

Firstly on behalf of the myself and all of the riders I'd like to thank the marshals and helpers of today's event!

Very simply I wouldn't have been able to pull it off without the support of many of the local clubs and riders giving up their time this morning so thank you to you guys first and foremost!

### **Helpers today –**

Sharon Fensom, Ian Fensom, Sam Robinson, Jonah Robinson, Rowland Summerlin, Alan Spencer, Josh Cayford, Neil Barford, Helen Fox, Dave Fox, Esmie Jappy, Stu Ross, Kev Glendinning, Fabos Young, David Brown, David Tuttle & Harry Tuttle

A special thank you to Jamie Stockham of Kettering CC for hosting us at the Earls Barton Primary School today!

### **Report**

Alex Dowsett didn't quite manage to break his all time PB this morning but he did break the course record on route to 17.31 and a 34.4mph ride!

George Fox managed his second fastest ride ever with 18.05, just 5 seconds slower than his previous best from this course earlier this summer while Gavin Howell rounded out the podium today with 19.30.

Gav's 19.30 set the standard for VeloElite who, along with Alex Garner and Martin Patmore, secured the team prize with a total time of 1.02.21. Could this be the start of an interclub battle for 2023?

Winner in the women's field was Claire Harlow who set a PB with 23.25 today to take the win! Maria Gent didn't manage to match her best on the course but did hold on to 2<sup>nd</sup> place today from KCC team mate Bethany Spencer who is on her way back from illness.

### **Next Event – Sunday 31<sup>st</sup> July 2022**
