V518

Start on A1238, approximately 0.5 mile west of Thorpe Willoughby, at start of first horizontal kerbstone on south side of field gateway, adjacent to large road sign and approximately 200 yards south of traffic island at junction of A63 and A1238. Proceed south to TI, where take first exit, left onto A63. Continue on A63 to TI junction A63/A19, where straight ahead. Continue on A63 to TI junction A63/A1041**, where straight ahead. Continue on A63 to TI junction A63/service road to fields (approximately 0.25 mile east of river swing bridge) (5.185 miles). Encircle TI and retrace outward route via TI junction A63/A1041 and TI junction A63/A19. Finish on A63 at lamp post 1B25, 10 yards west of pedestrian crossing point and adjacent to eastern end of high wooden fence, approximately 0.25 mile before TI junction A63/A1238. (10 miles)

** In case of swing bridge operation preventing use of the above course: (Unlikely)

Start details as before. At TI junction A63/A1041**, encircle TI and retrace outward route to TI junction A63/A1238. Encircle TI and proceed along A63 to TI junction A63/A19. Encircle TI and retrace along A63 to finish at lamp post 2B16, which is adjacent to agricultural crossing, just after Gateforth New Road junction and just before start of long layby
