Organisers Comments

My sincere thanks to the Officials, Marshalls & Headquarters Staff; without who's help these Events would never take place.

Many thanks to all those Riders who turned up even knowing in advance that the Event would be shortened due to Road Works & the possibility of poor weather; you all helped to make this another successful **Coventry CC Promotion**. Thanks also to those who apologised in advance for their impending absence, it all helps things to run a little more smoothly on the day.

I was surprised to still witness one or two riders persisting to warm up through the Finish Area even after threatening in the Start Sheet to disqualify anyone noted doing so. It really isn't fair to either the Timekeepers or your fellow competitors so come on Guys, play the game.
