Advisably to be of Non Dark Colours.</i></p>

No competitor may carry advertising or the name of a commercial business on their race clothing except:

(a) where a competitor is a member of a club or team that has paid the advertising fee, they may carry advertising, but must not compete in clothing of a trade team that is/has been registered with the UCI unless they are a member of that team

or

(b) when competing in club events

Reason: To make time trialling more inclusive, in order to attract more Triathlon riders, allow sleeveless tops would reduce costs as they would not need to purchase an additional costly sleeved skinsuit.

The agreed amendments were:-

Remove - Advisably to be of Non Dark Colours.

Include - Swimming type suits and running vests are not allowed (which is in the current regulation)
