Stafford RC and BorntoBike RT hope you all have a safe and successful ride

Directions to the HQ:

In the centre of the village turn into Willington Road, next to the Spread Eagle public house, then immediately right into Portland Street. The hall will be open from 1230hrs. Sign on and collect your number at the HQ. Exchange your number for a free drink after the event where other refreshments will be available.

The start is approximately 0.5 miles from the HQ.

Please remember all rider must return to the HQ after the event to sign back in. Any rider not signing back in will be recorded as a **DNF**.

Parking:

There is limited parking at the HQ but ample parking is available in the bus park at John Port School, which is opposite the Spread Eagle. This will be signposted and is a short walk from the HQ. Please do not park in the access drive to the village hall.

Important Notices:

Keep your head up when riding and obey the rules of the road. Events under 100km "Regulation 22 (a) (use of motor vehicles) does not allow competitors to be preceded, accompanied, followed or in any way receive assistance from a motorised vehicle or its occupants."

No warming up on the course after the event has started

Riders must not turn before the Etwall Roundabout once they have past the finish. Once you have crossed the finish line please proceed down to the roundabout and back towards the HQ on Main Street. An observer will be out and anyone seen turning between the finish and the Etwall roundabout will be **disqualified**.

Bike-fit.co.uk continues to grow from strength to strength,
Mike Taylor and his experienced team of bike fitters are well
known nationwide and now offer a mobile bike fitting service
to clubs and groups of riders all over the country.
A Bike-fit is regarded as an absolute essential for all levels
of cyclist, but especially for long distance riders, competitive
cyclists, those riding with discomfort and those with multiday events (Land's End to John 'O' Groats, London to Paris
etc).

It is also recommended for riders that have feet, saddle, neck, shoulder or hand discomfort issues when riding long distances, often these discomforts are associated with rider asymmetry. This involves more investigation or input, and a Bike-fit has an extremely comprehensive evaluation process that allows the Bike-fitter to really get to the problem areas and resolve them.

They are located in the Midlands at Bridgtown Cycles, Unit 7 Lakeside Business Park, Cannock, Staffordshire, WS11 OXE, one of the largest independent bike stores in the United Kingdom, well worth the journey for a day out and there's also an in-store Coffee Hub for drinks and refreshments while visiting.
