### In the interests of your own safety...

Cycling Time Trials and the event promoter strongly advise you to wear a Hard Shell Helmet that meets the internationally accepted safety standard.

In accordance with Regulation 15 All Junior competitors must wear Protective Hard Shell Helmets.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine, in a position visible to following road users and is active whilst the machine is in use.

**Please Note.** This course is a dual carriageway, if the road is wet enough to produce spray it is not suitable to use. In the event of predictable bad weather the event will be cancelled, if a decision is not possible until the day information will be posted on [www.yeovilcc.com](http://www.yeovilcc.com), news page.

Also be aware of the high speed of the traffic using the A303, and in particular the Podimore and Cartgate roundabouts, ride in a straight and predictable line.

As this is such a small field I have put the start time back to 07:30. Fingers crossed for a fine day and I look forward to seeing you all on Sunday.

**REFRESHMENTS, CHANGING ROOMS** and **TOILETS** are at the HQ. Numbers will be available **once you have signed on** at the HQ and must be returned there for a free drink. Use the main road through RNAS Yeovilton for warming up. Please allow a 10 minutes to get to the start.
