# RTTC NATIONAL CLOSED CIRCUIT CHAMPIONSHIPS

Originally built in 1940 as RAF Thruxton, a World War II airfield and home to both the RAF and USAF, the site was used for troop-carrying aircraft and gliders during the D-Day landings.

In 1946 it was decommissioned and from 1950 it was used for motorsport. Motorcycling was the first sport to be staged there, with four-wheeled racing commencing from 1952.

Since 1968 a new track attracted top Formula 1 drivers to events there and in 1993 Damon Hill recorded an incredible 57.6 seconds lap of the 2.4 miles circuit, an average speed of 147.25 mph!
