Directions to the Start

Please note the start is 3.8 miles from the event HQ, with the route featuring some undulations. Please ensure that you leave sufficient time for the journey.

From the Farndon HQ turn right and then immediately left at the crossroads with the A534.

Ride along the A534, passing through Barton and Clutton, to reach the Broxton Roundabout after 3.8 miles.

Take the second exit, A534 and ride up the short hill, passing the start on the opposite side of the road.

After 200m use the minor road on the left (Coach Rd) to turn around before returning back down the A534 to the start.

Directions from the Finish

Continue towards Broxton Island, taking care for any riders still waiting to start.

At the island, take the second exit, A534.

Retrace steps, passing through Clutton and Barton before turning right onto the B5130, signed Farndon / Churton / Aldford, to find HQ immediately on the left.

Alternative Parking

The Farndon HQ has ample parking and gives us the benefit of providing an indoor HQ with the associated improvement in toilet and catering facilities over the traditional Broxton Car Park HQ. Construction works were due to start within Broxton Car Park during March 2018 but, at the point of issuing this start sheet, have not yet commenced. Any riders looking to avoid the ride to the start may wish to move their vehicles to Broxton after sign-on. The event secretary will re-check the status of Broxton Car Park on the day preceding the event and email an update to all riders if the car park has closed prior to the event.

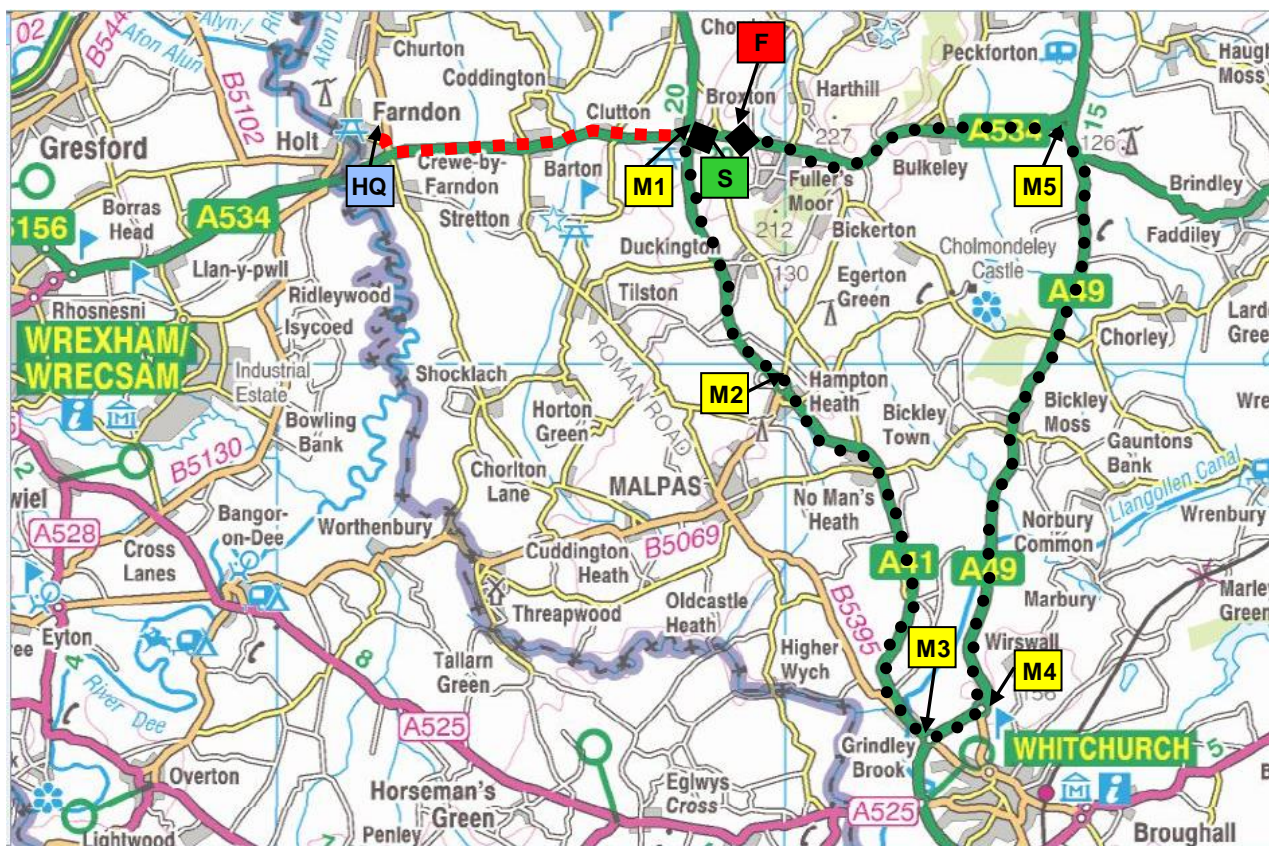

General Notes

1. All riders must sign on. Numbers will be available at the Farndon HQ from 06:45.
2. Body numbers must be placed low down on the back
3. All riders must sign off. Sign-off sheet located at Farndon HQ.
4. Results board, tea, coffee and homemade cakes at Farndon HQ.
5. All contributions for catering to be donated to charity – Barrowmore House.
6. Prize presentation planned for immediately after the event.

Safety Notes.

1. Cycling Time Trials strongly advise you to wear a hard shell helmet that conforms to a recognised safety standard. In accordance with Regulation 15 all competitors under 18 must wear a helmet.
2. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.
3. No U-Turns on the course or at the start or finish areas.
4. Ride with your head up riding at all times. Dangerous riding is endangering the future of our sport.
5. Results will be displayed at the HQ, do not disturb the timekeeper.
6. Riders must exercise care at all road junctions.
7. Take particular care when approaching Broxton Roundabout to join the A41 shortly after the start, ensuring that you are easily able to stop should traffic conditions dictate.
8. Any competitor whose riding line causes him/her to cross the white line when approaching or leaving a junction will be liable to disqualification from the event and may be reported to the District Committee for further disciplinary action.
9. A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. This practice is not encouraged.
