SAFETY

In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all riders to wear a hard shell helmet that meets an internationally accepted safety standard.

CTT recommends that a working rear light either flashing or constant is fitted to the machine in a position clearly visible to following road users and is active whilst the machine is in use.

UNDER 18s Please note regulation 15 in the 2005 Handbook which states that riders under the age of 18 must wear a properly affixed helmet of a recognised standard. It is the responsibility of the rider or parent/guardian to ensure that the appropriate helmet is worn and correctly fitted.

DIRECTIONS TO START

The HQ is on a one-way street, so to get to the start, you turn left outside of the HQ onto Front St, turn left at the end onto Church St, then follow the road back to Long Street. Turn left and the start is on Long Street just before the slip road to the A168.

RIDER'S NOTES

Do not stop on the A168/A19 unless it is unavoidable.

Local regulations

PLEASE DO NOT warm up on the course once the event has started.

No U turns near the start. Get off your bike and walk across the road.

DO NOT pass the start time keeper other than to start your ride, once at the start wait on the pavement or in the gateway behind the timekeeper until being called to start.

Riders are advised that the CTT district council will discipline any rider that is reported for riding in an unsafe manner, or who contravenes local regulations.

Please take care on the slip road up to the turn stay to the left and only move to the middle when it is safe to do so. Don't ride up the right hand side of the road.

Don't warm up on turbo trainers near houses. There is ample room in the car park for warming up on a turbo.

No cars at the start please. Please ensure that cars are not following riders or passing them on a regular basis (CTT Observers will be on the course).

Please shout your number at the finish.

Head down riding or white lining will NOT be tolerated. Observers will be on course at regular intervals and any offenders WILL be subject to DQ at the very least

RIDERS WILL BE REPORTED TO YORKSHIRE DC AND MAY FACE A DISCIPLINARY ACTION OR DISQUALIFIED FROM THE EVENT IF THIS REQUEST IS IGNORED.

MANY THANKS, YORKSHIRE DC.

If you are unable to ride, please call or text me as soon as possible, so I can let a reserve take your place. 07936 146533

MEDIUM GEAR LEAGUE

Points will be awarded in each event according to your finishing position, 120 for 1st, 119 for 2nd and so on down the field. You can ride as many events as you like but your 4 best rides will count towards the overall league so the more you ride the better your chances. The maximum gear allowed is 72", if you ride gears you must have them adjusted so a higher gear cannot be selected, gears will be checked at each event. A 72" gear was traditionally achieved using 48x18, however with modern smaller wheels and tyres a 49x18 is ideal and in some cases (19mm tyres) you can use a 52x19. The only way to be sure of your gear is to measure the distance travelled for one complete pedal revolution, this should be 18ft 10 1/4 inches. Remember if you are using a track bike with a single front brake you must have a lock ring securely fitted to the fixed sprocket.

See website http://www.fixedwheel.co.uk for list of events and results

Gear inspection will be carried out at the headquarters. Please ensure that your bike is inspected.
