Safety Instructions for riders: In the interests of your own safety –

- Cycling Time Trials and the event promoters strongly advise the wearing of a hard shell helmet that meets an internationally accepted safety standard.
- Cycling Time Trials recommend that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use.
- Riders must give way to pedestrians on the Zebra crossing opposite the school in Corby Glen.
- Riders to give way to traffic from the right at the turn roundabout.
- Riders to take care negotiating the sharp bend at the foot of Grimsthorpe Hill.
- Riders to take care in Edenham village as traffic joins their route from side roads, whilst riding to and from the HQ, as well as on the course. Riders must not warm up past the start area. No 'U' Turns are to be performed on the A151 within the start and finish area.
- If the HQ car park is full, please park carefully as the road outside of the hall is narrow.

PLEASE NOTE: There are several pot holes on the course along with some grooves in the road surface on Grimsthorpe Hill and at the A151/A1 turn point. Please take care of yourselves and your wheels!

Safety is the priority so please keep your heads up, but have a safe and pleasant ride.
