Thank you to all riders for your entries and congratulations to all riders who finished on what turned to be a less than pleasant day.

Please accept my apologies for the delay in issuing this results sheet and loading the times to the CTT website, this was the result of a disciplinary hearing by the Yorkshire CTT district committee which is now resolved, as the winners will know the prize money was sent out in the week after the event as these were not affected by the hearing.

My thanks go to the timekeepers George and Phil, and to the members of Holme Valley Wheelers Debbie, Samantha, Pam, Wendy Christine and Jackie, the two Martin's, Dan, Steve, Andy, Brian, Gary, and Dave for their support for the many tasks that are required to run the event.
