### Summary

Thanks to all the riders who entered the HCC 50 on the T105 course. There was 44 signed on, 22 travelling and 28 DNS (A) when the event was called off due to the spray making it hazardous to the riders.

Many of the 44 riders who signed on indicated that if the event could not be re-arranged that they would be happy to have there entries donated to a suitable charity namely the Air Ambulance or to the VTTA. I would suggest we equally split it.

More than happy to do this however I thought I would give the 44 signatories and the 22 who travelled but turned round after receiving the news of the cancellation, the option. If this aforementioned solution is not agreed by all, please contact me (07702 244922 and [jagryk@aol.com](mailto:jagryk@aol.com)) and I will make arrangements for the return of their entry fee or free entry at our next event.

Again please accept HCC apologies, we at the Club are very much aware that a safe and fast race would have been a boost for the district. For it not to go ahead after the glorious weather we have been having is a bit of a kick in the gut.

Hopefully see you all at the remaining TT's on Teesside this season.

Best Regards

Phil Wright
