

# CTT / RTTC British National 10 mile TT Ayr Roads / Fullarton Wheelers 1<sup>st</sup> & 2<sup>nd</sup> September 2018 Race Manual

Ayr Roads and Fullarton Wheelers are delighted to welcome you to the RTTC British National 10 Mile TT Championships for 2018 presented by CTT.

Many of you may know that this is the first time which the championships have been held north of the border, and we welcome you all to our local area. Special thanks go to William Cosh and Bill McMillan for driving the Scottish District from strength to strength.

The CTT Scottish district is a fairly recent creation, and clubs were delighted to hear that the board wished to bring the National Championships here for 2018.

Ayr Roads and Fullarton Wheelers met to tout the idea of submitting a joint proposal to host the race on the well-known "Eglinton 10" course. This course on the A78 is one which most riders have on their bucket list, with an appetite to test themselves on quiet roads, but never quite knowing how the Ayrshire winds will blow.

Both clubs have come together to put on this festival of racing for the weekend, and we would both like to thank all members for their help and support in bringing our idea to fruition.

We hope you enjoy your visit to North Ayrshire and wish you all the very best for your race.

Michael Curran & Dave Walker  
ARCC & FWCC

## **Race HQ**

Eglinton Country Park, Racquet Hall, Irvine KA12 8TA

Organisers – Michael Curran 07827331680  
Dave Walker 07715742663

HQ Emergency Number – 07943423941

Email - [ctt10champs2018@gmail.com](mailto:ctt10champs2018@gmail.com)

## **Travel Advice**

For those competitors who are travelling to Ayrshire from farther afield, below are some pointers for help getting to the area.

### **From the South**

Heading north on the M74, at J4 follow signs for M74 (Glasgow Airport M8).  
Follow signage for M77, Kilmarnock.  
Exit the A77 at the Bellfield Interchange. Signposted for Irvine, A71.  
Proceed on the A71 until the Warrix Interchange (approx 7 miles).  
Turn right at the roundabout, follow signs for Ardrossan A78. You are now joining the 10 course.  
Proceed North on the A78, follow signs for Eglinton Country Park.

### **From the North**

Cross the Clyde via the Erskine Bridge  
Exit at Glasgow Airport, following signs for the A737  
Stay on the A737 all the way to Kilwinning  
In Kilwinning, follow signs for Irvine.  
Eglinton Park is signposted as 'Country Park' just as you leave the town.

### **From the East/North East**

Join the M77 from the M8.  
Instructions as above for travel from the South.

## Traffic Management

Detailed below is the Traffic Management plan which will be in operation during the weekend. The exit from the Eglinton Interchange roundabout toward Eglinton Park will be closed. This is to ensure the Start line is free of traffic.

Entrance to and from the park will be via Irvine Road / A737, as shown by the Green line. Please ensure you familiarise yourself with the map below.

## Eglinton Park Layout

Parking is indicated in Yellow. Race HQ is outlined in Blue. Green is the Shower Block. Both male and female showers are available.

No parking outside the “bus shelter” (red circle) on the left-hand side next to HQ.

Eglinton Park Staff have asked that riders do not park vehicles on the grass alongside the road throughout the park. Please use the main and overflow car parks which are a few meters further along on the right. Between these three areas there's plenty of parking for everyone.

Green is the Start Line. Red is the Finish line

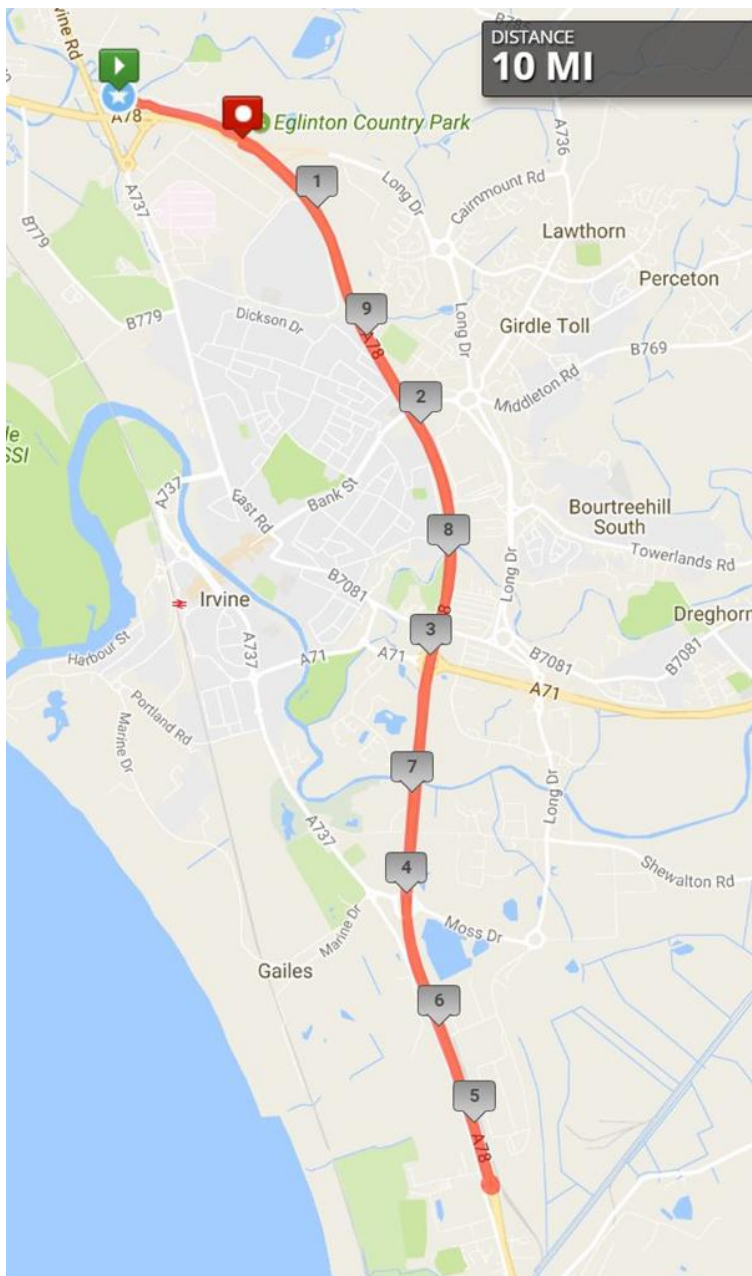

## The Eglinton Course

After the start, riders approach the Eglinton Interchange roundabout and exit 1st left onto the slip road for the A78.

Keep right on the slip road as you join the A78. After 2.8 miles you will need to move out into the middle lane, as the inside lane turns into a slip road for the Warrix Interchange. See notes below for guidance.

Stay on the A78 until you approach the Meadowhead roundabout at the UPM Caledonian Papermill. Go fully round the roundabout and re-join the A78 heading north with the event finishing on the slip road up to the Eglinton Interchange roundabout.

## Guidance

At approximately mile 3, riders must move safely to the middle lane of the A78. The inside lane becomes the slip road to the A71 and is not part of the route. Check over your shoulder in plenty of time, and move out only when the lane is clear. Marshals will be present to indicate the lane change. Marshals cannot direct or stop traffic – normal rules of the road apply, and you are responsible for your own safety.

At the Meadowhead roundabout (the turn,) you will have to move out into the right hand lane. Again, check over your shoulder in plenty of time, and only move out when the lane is clear. Your safety is priority.

Once finished please proceed up the slip road to the Eglinton Interchange roundabout without delay! Please be aware of traffic joining from the left and proceed with caution after your effort.

It is recommended that all riders familiarise themselves with the course prior to the race.

## **Safety Notices**

Please make sure your bike is in good condition and ready to be ridden at speed. It is also recommended that you don't ride with your head down. We know it can be more 'aero', but we don't want anyone having an accident because they weren't looking where they were going!

We will be using a start ramp at the event. There will be stairs at the rear of the ramp for access. Please exercise caution when climbing the stairs, as well as when riding off of the ramp.

Please remember the traffic management plan will be in operation and obey the highway code at all times

## **Rider Compliance**

All riders are requested to have a rear flashing light attached to their bike where possible. If possible, a small flashing front light would also be appreciated. It helps marshals see you approaching during poor weather.

Race numbers should be pinned to your lower back and sleeve and must be forward facing and visible to the officials.

## **Anti Doping**

There is a high possibility that representatives from UK Anti-Doping will be in attendance at this event. If selected, then please comply with their processes.

We all strive for a clean sport and a level playing field!

## **Sign On**

Sign on opens at 08.15.

The venue will be getting setup from 8am so please don't try to sign on before the allocated time. You will be turned away until the team are operational.

## **Officials**

CTT Elected representative:	Paul Thomson
Timekeepers:	Blair Wylie, Geoff Smith, Linda Smith, Jim Smith, Martin Knox, Janette Hazlett, Mhairi Laffoley, Arnold Thomson

Sign-On, Start line "hauder upper's" and the Marshal team for both days, are members of both hosting clubs and are complimented by the wider Ayrshire cycling community.

First Aid is being provided by EFAR Scotland - <http://www.efarscotland.co.uk/index.htm>

\*\*\* Remember Strava doesn't know best, and we have fully qualified officials to give you your correct race time\*\*\*\* 😊

## **Timetable**

<b>Saturday</b>		<b>Sunday</b>	
08:15	Sign on Opens - all competitors	08:15	Men's Sign On Opens
08:30	Marshal Briefing	08:30	Marshal Briefing
09:01	Junior race start	09:01	Men's race start
09:30	Junior Sign on closes	11:00	Men's Sign on closes
09:50	Last Junior start	11:30	Last Male start
10:02	Female race start	12:30	Male prize-giving (no earlier than)
10:30	Female Sign on closes		
11:00	Last Female start		
12:15	Joint Prize giving * (no earlier than)		

\* Saturday prizegiving will be a joint ceremony for both Juniors and Women. Due to the short time gap between the starts of the sections, the timekeepers will not have a chance to return to the hall to verify times and ensure we have the correct results.

This also applies to the official photographer, and I'm sure all medal winners will wish to have their moment of glory recorded.

We thank you for your patience and understanding.

## **Catering**

We have spoken to the staff at the Tournament Café at the park and they have agreed to open early for us on both days of competition. In here you will find a range of soups, hot food, speciality coffees and home baking. The café can be accessed through the courtyard to the right of the main carpark.

## **Prizegiving**

Prize Giving will take place around 12:15 on Saturday for both the Juniors and Ladies competition.

Male prize giving will be at 12:45 on Sunday.

Please stay back after your race to congratulate your fellow competitors.

## **Special Guest**

We are extremely honoured to have the company of Fullarton Wheelers Honorary President, Mr Graeme Obree with us for the race weekend

The word "legend" is often used to describe many people, but we feel this portrays him perfectly.

Graeme is a two-time world 4000m pursuit and two-time world hour record champion. He has made his own bikes, invented riding positions, pushed the realms of engineering to its limits, whilst proving the impossible is possible.

Graeme will be presenting the prizes both days and is looking forward to being with us for the weekend.

## **Partners**

Ayr Roads and Fullarton Wheelers and indebted to our partners for helping us put on this fantastic event. As soon as we spoke to each of the organisations below, they were delighted to help in any way they could.

North Ayrshire Council - <https://www.north-ayrshire.gov.uk/home.aspx>

Eglinton Country Park - <https://www.north-ayrshire.gov.uk/leisure-parks-and-events/eglinton/eglinton-home.aspx>

Harry Fairbairn Irvine BMW - <https://www.harryfairbairnirvinebmw.co.uk/>

Police Scotland Ayrshire Division - <http://www.scotland.police.uk/your-community/ayrshire/>

Scotland Transerv - <http://www.scotlandtranserv.co.uk/>

Transport Scotland <https://www.transport.gov.scot/>

Glenmavis Traffic Management Group <http://www.glenmavis.co/>

CTT Scottish District - <https://www.cyclingtimetrials.org.uk/district-details/22>

Ayr Roads Cycling Club - <http://ayrroadsgcc.co.uk/>

Fullarton Wheelers Cycling Club - <http://www.fullartonwheelers.com/>

A special mention should be given to Eglinton Park Run, who kindly volunteered to postpone their weekly event in order to help us keep the park free of congestion and allow a safe environment for all competitors.
