## Guidelines

## Please note the following CTT regulations and recommendations

Helmets CTT regulations require the compulsory use of helmets for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.

Parental Consent Forms All riders under 18 download a parental consent when they enter online. The form must be completed and brought with you on the day. Please hand it in before signing on.

Lights It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.

Warming up Competitors are requested not to warm up on the course after the first rider has started.
Competitors' Vehicles No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity of the start or finish.

Official Observers Official observers will be stationed around the course.
Results No times will be given out at the finish.
Race Numbers The race number is made of fluorescent material which is an important safety feature. It is essential that it is placed correctly for maximum visibility to other road users and of course the timekeepers. No time may be recorded if number is not correctly positioned.

Signing Out Please note competitors must return to the event HQ either during the event or within a reasonable time after the last rider has finished the event and must return their race number and sign the official signing out sheet. A rider who fails to so sign the official signing out sheet shall be recorded as DNF.
