Wear your race number low down on your back ensuring it will be visible to the timekeepers. Please **return** at the end of the event.

Under 18's

All riders under the age of 18 must provide a parental consent form signed by a parent or guardian. We ask that you download the consent form from the CTT website EWCC Stoke Hill Climb event download links and bring the completed form with you to save time. Blank forms will be available at the HQ on the day if required. You will not be allowed to ride unless we have received your consent form.

Toilets

Toilets are available at the HQ. Please note that we are unable to offer changing facilities.

Warming Up

There is room to warm up on rollers or turbo trainers in the HQ car park, or upon the Hill, please note this year the event does not include a road closure.

Getting to the Start

Turn left out of HQ car park (**TAKE CARE** as you join the Wreford's Lane as is a steep gradient and contains gravel) and descend the climb to the start at the A396 junction. Please follow marshals' instructions and queue for the start in the designated area. Please arrive at the start in good time. We recommend you allow at least five minutes to ride to the start.

Course

Known locally as Stoke Hill, the course is on Pennsylvania Road which runs between the A396 and Wreford's Lane on the northern edge of Exeter.

Start at the marker approximately four metres before the large tree on the left-hand side at the bottom of the hill, approximately 30 metres before the gateway (SX 932 966). Finish one metre beyond the beginning of the taper for the entrance to Roman Hill (private residence) before the 30mph speed limit signs (SX 923 953).

Distance: 1.2 miles. A map is available at www.exeterhillclimb.co.uk/course

Important Course Information

In the event of an emergency it may be necessary to stop the race to allow emergency vehicles to safely access property on the hill. Please obey marshals' instructions at all times.

Finishing

Please shout your race number as you finish. This helps to ensure your time is recorded correctly.

Continue well beyond the finish line, be aware of riders finishing behind you who may be travelling more quickly. Turn when it is safe to do so. Please obey the marshals when descending - you may not be able to descend immediately if other riders are finishing. Please descend slowly, keep to the left if you wish to spectate. Please respect other competitors at all times.

Refreshments

Hilltop Riding School has a brand-new café which will be selling homemade food and drinks at the HQ.
