A hard shell helmet is compulsory for riders aged under 18 years and all Juniors & Juveniles.

CTT recommends that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users, and is active whilst the machine is in use.

Keep your head up and have a good ride!

Keith W. Abbott 31/10/30 to 23/11/03

Keith was a staunch supporter of cycling and Drighlington Bicycle Club in particular. He supported all members in their activities, be it club runs, racing or social functions.

It was Keith who first formed "Team Abbo" which was initiated with Keith, Mick Phillips and Terry Oakden as a select trio with their distinctive "Team Abbo" t-shirts. These were worn on many occasions and during trips to the European Classic cycle races, Paris Roubaix etc., and trips to Le Tour from 1990 to 2002.

Keith was also the driving force behind the resumption of the Drighlington B.C. hill climb on Scotchman Lane and, as a mark of respect and tribute, the club have decided to run the hill climb as an open event in his name.

Keith is greatly missed for his strong opinions and lively banter by all the club members and his many friends.

The event headquarters, with signing on and numbers, will be in the rear car park of the *The Needless Inn* public house on Scotchman Lane, near Morley, Leeds.
