Heya,

Thank you again to everyone who came and raced today, the weather was very good to us and the southerly wind made for a super-fast course today! Both male and female records were broken and actually the top 6 male, and top 4 female broke the records, so a huge congratulations and thank you for putting on such a great show for us to spectate.

Today was as massive achievement for all involved, especially those whose first hill climb it was! I hope you all enjoyed the event and we're looking forward to seeing you again next year!

I'd also like to give thanks to all the Marshalls and helpers who volunteered their time today, along with our timekeepers Ian and Bridget Boon for making this event run as smooth as possible.

Best of luck for the rest of the season and WTTA series!
