IN THE INTERESTS OF YOUR OWN SAFETY

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard.

In accordance with Regulation 15 ALL JUNIOR competitors must wear Protective Hard Shell Helmets.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.

Please consider the use of a front light - sections of the course have dense tree canopy cover, particularly the final 2 miles, and will be quite dark even if the sun is shining!

Any competitor making a "U" turn in the vicinity of the start or finish will be disqualified from the event.

Riders must not ride with their head down - you are riding on public roads, please take care.

Please remember that you are now required to sign off after you have finished - failure to do so will result in DNF.

Competitors are reminded that this event may be subject to doping control - it is your responsibility to check. Race numbers required will be displayed by the results board - if your number is listed you must report immediately to doping control.
