Thanks for supporting the Celtic Series yet again, seemingly better eather produced slower times than two weeks ago. It just shows that wind trumps heat anytime. Well done to Chris and Zoe on their wins.

Many thanks to the helpers without whom the event would not have been possible. Also, to Sharon Preddy Catering for the great spread as usual. An overall series points update will be available shortly.

The next major Realteam promotions on the R25/3H

on the 21st July - <https://www.cyclingtimetrials.org.uk/race-details/18336>

and 18th August - <https://www.cyclingtimetrials.org.uk/race-details/18348>

Next Celtic Series events are:

Realteam: <https://www.cyclingtimetrials.org.uk/race-details/18339> - closing date 23rd July 2019

Realteam: <https://www.cyclingtimetrials.org.uk/race-details/18341> - closing 2nd August 2019

Finally, sometimes a raw result hides important information. The most important result on the night was Keith Satchwell's DNS. He apologised but the reason was rather more than a mundane one. Keith is currently serving overseas at short notice as tensions with Iran increase. Keith I thank you for your service.

Best wish and a full recover too to Veloflow rider Martin Howe who proved once again the cyclist comes off worst in a collision with a vehicle.

Regards,

Martyn
