Daz Speight Memorial Hill Climb

Sunday 15th September 2019

*Promoted for and on behalf of Cycling Time Trials
under their Rules and Regulations*

Date: **Sunday 15th September 2019**

First Rider 11:01

Welcome to Daz Speight Memorial Hill Climb, thank you for your entry and we look forward to seeing you on the day for a great day of competition.

This is 3RT's second HillClimb and we are thrilled to be using the Scammonden Dam private road, and we hope you will join us in thanking Yorkshire Water for allowing us to use this fantastic venue.

The Hill is very demanding and steep, climbing 204 ft at an average of 12% with 29% in the corners, but this is countered by the fact that it is relatively short at only 566m.

3RT also host a Criterium at York Raceway and the Dave Rayner Memorial Road Race at Norland each year alongside this event.

All events organised by 3RT are also used to raise funds for The Dave Rayner Fund, who support young cyclists in making the step up to a professional career. www.thedaveraynerfund.co.uk

This year and moving forward we will also be raising money towards Daz's fund to support his two daughters.

SIGNING ON:

Signing On is on the venue at the top of the climb.

All riders 18 years and under must submit a signed parental consent form.
