Many thanks to the help from Phylis, Frances and Robin. Also, to Sharon Preddy Catering for the great spread as usual. Well done to all the Prize Winners and thanks to all those that stayed for the prize presentation. I was especially grateful that the rain stopped for the duration of the event.

There were some good lessons learned for the National Championship too. There certainly was a lot of traffic on the start road compared to the last two year so I will be looking at ways of managing that as well as the farmers.

Congratulations to Chris and Dave on their course records. Michelle's was a stunning ride but Terry will have to dig back in his archive to confirm whether it's an all-time course record. I suspect it is, so congratulations.

A big thanks to the Ajax and Bynea in getting out their riders in an effort to win the Dragon trophy. I now have the Trophy (thanks Chris). Despite their win on the day the Cardiff Ajax did enough to take the trophy back from the Bynea. The trophy will be presented at the WCA dinner, details below.

An announcement will be made next week after the date fixing meeting on Friday 4th October about the precise make-up of the series in 2020 but it promises to be bigger and better and there will be a road bike category to encourage entries.
