Commentry

Thank you for riding today, I hope you all enjoyed the event, amongst the hardrider events, the Bath CC event is one of the more challenging, so congratulations to all that finished. I believe today that the last 3 miles, from Longbridge Devrill back to Maiden Bradley were the worst – which large head wind.

From my perspective, there were a number of highlights. Marshaling at the first RAB, and watching Dean having to track stand to get on the RAB, and yet still going on to win the event, was good to see – as well as Rob being fastest man round the RAB!

The tandem in the event, arriving at the first RAB in two halves!

I was impressed by the number of BSCC teams, four in total, of which three finished, coming 2nd 3rd and 6th in the team competition. Bath CC though won out in the team competition, with four fast to very fast riders – just needed to see which three came in highest.

The competition between the BSCC women, with only a few seconds between them – it will be interesting to see how it develops over the season.

It is good to see that in the first 4 riders, there was a Junior, and Espoir, a Senior and a Vet – and so the ages are well matched. It is good that the Junior and Espoir came in the top four, and so won a prize – with only one rider in each of those categories, there was no specific prize from them – but good that they featured in the overall.

I hope you'll all come back next year, to enjoy our hills again.
