SCA Championship Hill Climb

GH/92

Closing Date 22 Sep 2020 23:59

Notes and Acknowledgements

It was a huge shame that the event was affected by the two car RTA close to the finish line. The road closure by the police meant that 12 riders were unable to complete their rides and many others were adversely impacted. It is though a huge relief that no riders were involved and that there was no serious injury.

Although some form of finish sheet has been compiled and event prizes awarded the event has been nullified as the SCA Championship 15. It will not feature in the awards, nor be included in various Championship Points competitions or SPOCO competitions.
