Holme Valley Whs have always issued prizes on the principle of one rider one prize. With improvement of (2 in this case) Juniors/Juveniles who have this case taken prizes from seniors we have given them a reward that is highest or increased otherwise the results would be very complicated.

My thanks go to Phil for timekeeping, Debbie, Christine, Samantha Jackie Steve, Dan E, Dan H, Emma Dave C, Dave W, Gary, Richard, Martin for their help with ensuring rider safety

Thank you all for riding and for keeping to your own side of the road at critical points, I would change the to this permanently but I'm not sure we have enough members to extend to pusher off at the start and catches at the summit.
