## Rider Notes

- The HQ is located on the race course itself (details below), so we ask that competitors driving to the venue arrive well in advance of the start of the event (i.e., before 10:00).
- Riders must sign the official **sign-on** sheet at the HQ to obtain their race number, and **must return their number to the HQ and sign-out once they have completed their ride.**
- Toilets and parking are available at the HQ. **We have zero tolerance for public urination – please use the toilets provided at the HQ.**
- **Please do not try to recon the course before the day itself.** This is a private road that is opened specifically for the morning of our race, and cyclists are not normally allowed on the upper part of the climb.

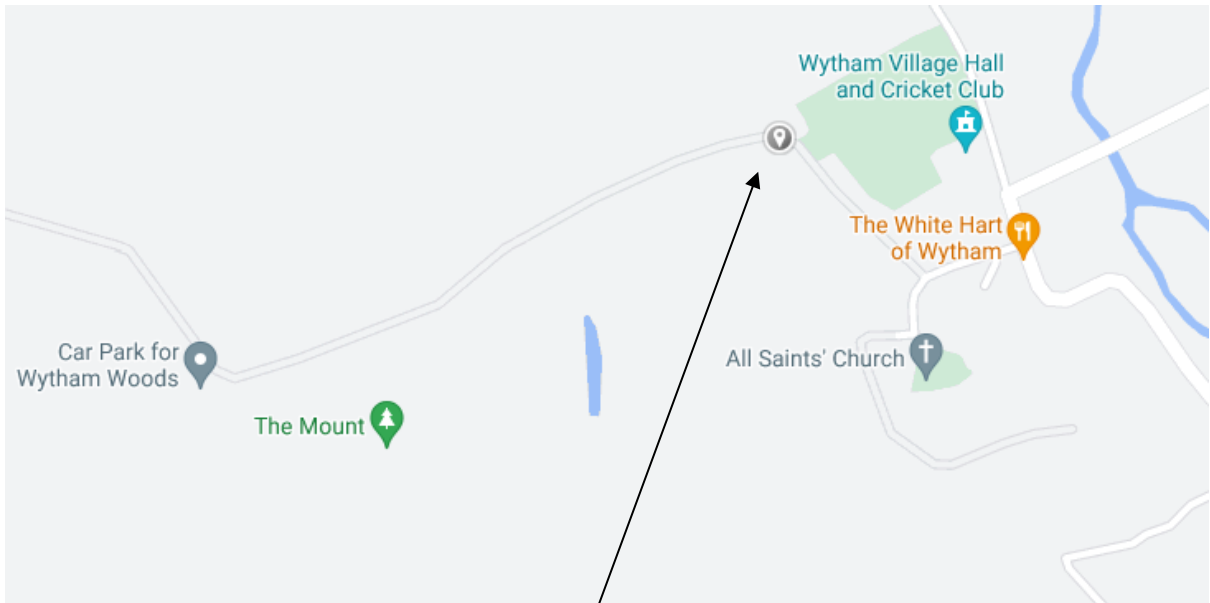

## Rider Safety

- The race will be run under Cycling Time Trials rules and regulations. A copy is available on their website: <https://www.cyclingtimetrials.org.uk/articles/view/11>
- The hill is a private road; however, there may still be cars coming up it. The roads on the through Wytham village and on the way to the start are public, and may be busy with traffic. **All riders are expected to obey the highway code.**
- **U-turns are not permitted within sign of the start and finish points, nor on the course.** Offenders are liable for disqualification.
- **Warming up on the course is not permitted once the event has started** (i.e., after 10:00).
- In the interests of safety, Cycling Time Trials strongly advise the wearing of a hard shell helmet that meets recognised safety standards. Helmets are mandatory for riders of 18 years of age and under.
- Please keep your head up for a safe ride.
- After the finish, descend slowly and safely down the course to return to the HQ.
