On behalf of Velo Club Long Eaton, may I pass on my congratulations to Ward WheelZ and Brother UK – Team onForm for winning their respective competitions and equally many thanks to each rider for exemplary riding etiquette, effort and performances.

I thoroughly hope you enjoyed the event, it is at this point as the organiser that I feel great pride and honour to be the face to name to a fantastic team that I had available to me, both from within Velo Club Long Eaton and our friends from local and clubs from further afield.

I am pleased to extend the feedback and gratitude I have received in reference to event to following team on the day.

Without the many hands available on the day, events like this simply don't go smoothly. I look forward to seeing you again, either as a rider on a start sheet or being part of an event your clubs promote, or who knows you may think VCLE put on a good show and you'll come ride with us again the next time we promote an event.
