After the initial scare at Stalmine and a slight delay in the start time, we eventually managed to get away with the event for once being completed at the right distance and on the correct course. The most temporary of temporary traffic lights evaporated as quick as the overcast morning with most riders enjoying a mild bright sojourn north of the Wyre. Congratulations to the prizewinners and creditworthy performances from all, we hope to see you return for our next 25 which is on wednesday 1st June on the same course, but a 7pm start.

As ever, I can't let it go unmentioned about the unselfish help from members that make for a successful event, it would be impossible to run without them, their volunteering spirit means I rarely make a phone call. In no order, the refreshments were delivered by Shirley and Graham Sheard with help from Hazel Matthews, husband Bob and Harry Haseley were the starting stewards, Val Leach oversaw the sign in and out, your marshals along the way were Sue Cheetham, Barbara Bell, Dave Isherwood, John Ward and Jamie Carson. Our esteemed chief timekeeper Tracy Moore was ably assisted by none other than Gethin Butler, who also relayed times back to base. Many thanks to one and all.
