Results sheet (*version 2*)

Above are pics from Dave Harbon – excellent Donny amateur photographer. He has HQ and on-course pics – all high res and available for free – but he's asked if they are used that riders consider liking his page.

Ian Chapman was also on the course taking lots of amazing pictures. Ian is a professional sports photographer and you can preview and purchase his pictures for a modest cost here.

## Thanks to those who helped!

Thanks to all volunteers for helping to run and make the event a success!

- **Timekeepers:** Christine and Phil Minto
- **Clerk:** John Davies
- **Marshals on course:** Lee Cairns, David Goodwin and Haydn, Les Hudson, Robert Marley, Gary Irvine, Kate Sullivan, Curt Langan, Chris Gent, Steve Creswell, Paul Ochiltree....and Jules and my mum (!)
- Also, thanks to Martin Bagshaw and Paul Heggie for helping by supplying signs.

## Race report

It's a shame we couldn't do the post-race presentation this year, so.....

- Thank you all so much for taking part in the event! I hope you enjoyed the challenging flat but exposed Hatfield 25 course, which is so much better due to the recent resurfacing work.
- Firstly, an apology though. I usually bring along a map of the course and give directions to the start, which I somehow failed to do this time. There were a lot of new riders to the course so this was quite a big oversight by me, and I definitely think I owe poor Michael Higginson - who missed his start time - a beer... in a non-Covid world, this event has Belgian beer as prizes so I've made a note to get an extra few bottles if he forgives me and rides again (apologies Michael!).
- The results are on the following pages. Clearly, there was no way to challenge them due to Covid so the finish timekeeper will not reset his (very fancy) stopwatch for the next 6 days in case there are any queries.
- It was great that the superhumans turned up! It was fantastic to welcome back Donny's own champion racer Connor Swift to the event and he made short work of the existing course record and took the win in the men's section.
- Adam Duggleby – who held the course record previously and was first to go sub-50 on the course – also clobbered around in double quick time, narrowly beating his tandem partner Steve Bate. They clocked a ridiculous 46:02.
- George Peden also went sub-50 (only the third person ever) in another astonishing ride, with the three Team Inspired riders (Oscar Nilsson-Julien, Sam Watson and Robert Donaldson) following closely behind with very impressive times. The whole team is clearly incredibly strong.
- Fiona Sharp rode a great race to win the women's section, with Hannah Peel and Joanna Cebrat completing the podium not too far behind.
- Well done also to the age groupers and the other under-21 riders – some great results on the course today!
- Here's hoping normal service will be resumed next year (live results on a projector, cakes...and boozy prizes).

- Finally, I'd like to pass on the thanks of my wife who was handing out numbers at HQ. She said that all of the people she chatted to were super friendly, and that it was lovely to meet so many riders that were new to the course. Thank you to all competitors for making the event enjoyable for the organisers as well as fellow riders. Most people I spoke to had an enjoyable day.

## Getting the prize money to people

Beats me.

If prize winners could perhaps drop me a line ([richard.lunt@firstactuarial.co.uk](mailto:richard.lunt@firstactuarial.co.uk)) with their preferred cash transfer method (bank transfer, Paypal friends and family transfer, discretely sending cash in the post.....or something else???), then I'll get it sorted.

I'm also at the Sheffrec 25 at Hatfield Woodhouse next week and can leave envelopes at HQ if this works.

Best wishes for the new season!

From all at Rossington Wheelers.
