Please return numbers to HQ and sign out after the  
event. Not doing so will result in DNS.

### Course details.

Start at Northern end of farm gate service road approx 1/2 mile southwest of Llandovery town centre on the A4069. Proceed south west on the A4069 to Llangadog, to turn in the road at southern boundary wall of Llangadog school, one yard short of lamp standard 112-6-4. Retrace on the same road to finish at northern end of farm gate approx 75 yards short of starting point.

I would like to thank the timekeeper, Tudor Thomas, Alan Owen for refreshments and the members of Bynea CC who marshalled the event and helped with the results board.

I hope you all enjoyed racing on one of the last dead turn circuits in the country and will spread the word and be back next year.

Sarah Grist, event sec.
