Notes

The timekeepers have asked me to remind all competitors that race numbers must be clearly visible whilst racing, and a failure to comply may result in disqualification.

Please make every effort to ensure your number is easily read by timekeepers who may be sitting at a level much lower than you (e.g. in a car).

Finally, should you elect on the day not to race, or if you miss the start, please remove your number before riding on any section of the course - this will help avoid any confusion.
