

PENNYGLEN 'not so hilly' TT

19/08/2021 19:00

WW15/03

Many thanks again everyone for entering our Pennyglen 'not so hilly' TT! I hope you all enjoyed the change in course, although we are very much hopeful that the classic course will be back next year. However, given the positive feedback regarding the good surface now on large parts of the A78, we may run this course again next year as a stand-alone event. Watch this space!!

Huge thanks also go to everyone who helped on the night. We wouldn't be able to run any events without the volunteers, so THANK YOU EVERYONE! We had a safe race with no incidents, and even the weather played ball, what a good night it was for a TT.

I hope to see you all at the next Ayr Roads CC promotion.

All the best

Michael
