"Promoted for and on behalf of Cycling Time Trials under their rules &
regulations"**

2.01pm Saturday 3rd September 2022 Course: O10/1 Hatfield Woodhouse
Headquarters: Hatfield Woodhouse Village Hall, Main Street, DN7 6NF
Organiser: Keith Ainsworth 65 Freedom Road, Sheffield S6 2XA
keitha99@gmail.com 07776 123480

Thanks all to those who entered the event and competed on Saturday in favourable conditions (for Hatfield which is rather exposed!).

Some great rides all round, so well done to all, and especially to our prize winners.

Not everyone who won an award or some prize money were present at the presentation, so if your name is below and you did NOT receive anything then please contact me with your bank details for the cash prize and for a trophy or medal for the North Midland's awards.

Thanks to all the helpers on the day, without which these events cannot take place, and a special thanks to our North Midlands VTTA Chairman Peter McNally for presenting the prizes and awards.

Also thanks to those that supported me in the preparation of the event, this being my first event to organise, and although admittedly there are quite a few boxes to tick, I have enjoyed the experience. The sport to survive does need more of the younger side of the community to get involved – I would thoroughly recommend! (and next time it will be so much easier!!).

Prize list and Results below – any challenges on your result please get in touch.

All the best for the future and safe riding!

Keith.
