Report

The forecast was predicting a tricky night which is perhaps why the majority of riders were on a standard road bike, leaving a TT bike at home. It was a great and full field with some of the North Midlands SpoCo stalwarts plus many new faces which is always a good thing.

We used a new HQ this year and the Eyre Arms in Calver looked after us really well, providing superb cover for the signing in staff and a welcome drink for many of the riders afterwards.

Highlights

2 records were broken tonight. Records that have stood for many years. The first to go was the Athlete record. This was last set by Andrew Magnier in 2014 with a very fast time of 45:18. This was initially broken this evening by Tom Parsons (Bolsover & District CC) who took 14 seconds off the time in 45:14. This is only 8 days after he took another athlete record on Sharrow CC's Foolow circuit. Regretably for Tom, he was only able to hold on to the record for less than 20 minutes when Andy Nichols (Team Lifting Gear Products/Cycles In Motion) took the Athlete record down to 43:54.

The second record to be gained was the team record. This was last taken by South Pennine CC in 2012 with a time of 2:16:03. Tonight saw Team Lifting Gear Products/Cycles In Motion set a new Team Record of 2:10:25 as Liam Bromiley, Andrew Whiteley and Andy Nichols shot round in their quick times.

A huge thank you to all the marshals and helpers who braved the cold and the rain to make tonight's event a possibility
