Race Report: Congratulations to all riders and helpers for overcoming difficulties to provide a fine contest on the day.

We knew well in advance about the roadworks at Littlebury Church, but had been advised by Affinity Water that the temporary lights would be under manual control ar would be operated to our advantage. This wasn't quite the case, but their operator, working with our marshal, was abl to minimise the delay to all but a few riders, thanks for bearing with us on this one and sorry to those few.

The weather was at one point forecast to be cataclysmic, and cancellation was a possibility for this reason too. I advised waiting for the Saturday night forecast, which was that there'd be a bit of a break in the worst of it for the event, so phew there too!

Finally, early on the morning we were advised by ear arrivals that the A505 was impassable in race conditions due to emergency works including lights that had popped to overnight. Aaargh! Undaunted, we switched to the 25 course, sorry to all the marshals who could have stayed in bed, and a bicycle race ensued. Despite all the above, we had a pretty good turnout, so well done all, and thanks.

With a few early seeds scratching, Nick Knight was first under the hour, before Tim Chilvers (still with his hat!) and then a very speedy Paul Hart took the throne. However the amazing Colin Ward again proved the strongest in wind conditions. Sadly the tandem event did not provide the expected 3-way contest, with one pair crashing the week before and another falling ill. Still, you can only beat who's there....

Many thanks to all who took the risk of coming on what might have been a truly grim day, including of course the many Lea Valley CC helpers. See you next year, hopefully in my usual sunny Autumnal float weather! Dave
