● Please note the above prizes were distributed in accordance with the rules set out in the programme, ie. one prize per rider. Where riders are eligible for more than one prize the higher monetary value applies. eg. Naomi de Pennington was fastest vet, but was awarded prize for fastest woman.

● VTTA's Age Adjusted Times and previous Vet on Std will list riders in the same order.

● Age categories are based on age on day of event.

● After the event it was claimed that a road bike rider was wearing an aero helmet, ie against CTT definition for road bike competitors. We apologise if this was the case, we missed that, and the rider has not been identified.

● There were two photographers. They can be contacted on:

Special thanks to:

● Marshals - all members of Rugby RCC who helped on the day, with particular thanks to Martin Orrill & John Brothers who posted all the signs.

● The support of Rowena Billing (catering), and Brendan Hirst (IT) who helped at HQ.

● Rugby RCC members and families who donated cakes, many of which were home baked.

● Timekeeper Barry Harden who was supported by Fiona Haggett & Peter Timmins at the finish.

Of the 67 entrants there were 9 DNSs (13%) of which 6 sent apologies in advance.

Thanks to all competitors for making it a successful event
