## **Volunteering at the 24 Hour**

We're only able to keep this event going with the continued support of the many volunteers who take time out of their weekend to help. We are extremely grateful to everyone listed below and hope you all are too. Without these people we would literally have no race.

If you were out this year and felt inspired to come and help next year let us know. All levels of experience welcome.

*What a fantastic race we had this year, there were some unbelievable mileages in far from ideal conditions. A year for the history books. A massive congratulations to everyone who rode but in particular to the competition record breakers! The standard of racing this year was incredible there's never been a year where so many people have done over 500 miles. The women's race was one of the best we've seen with the top 3 women all going further than the previous competition record.*

*I must reiterate my thanks for all the marshals and assistants without who these amazing rides could not be done. This year we had a great increase in new marshals and we hope that you'll all come back and help again next year. If we can keep up this support along with all the dedicated supporters who help year in year out this race will continue to go from strength to strength.*

*Keep hold of this result sheet because in years to come you will want to be able to say "I was there".*

*Yours in sport*  
*Jon*

*Look forward to seeing you all at the 2020 event on*  
**Saturday 18th & Sunday 19th July 2020**

**The President and members of the Mersey Roads Club offer congratulations to the prize winners and send their sincere thanks to all who took part in the organisation and smooth running of the event.**
