**From the Organiser**

My thanks to all those who rode the Darlington CC Open 25 mile TT yesterday. Whilst it was not the warmest of days, we were lucky to have pretty dry conditions and little wind on the gently rolling T254/1 course (I am sure you now all know the 3 man made hills on the course well – all twelve times up them!). Whatever your time, I hope you enjoyed the Event and found this an interesting and safe alternative to a busy dual carriageway.

This event could not have taken place without the people who volunteer their time, namely the Marshals and friends of Darlington CC, event officials and timekeeping from Geoff Watson and Steve Fullerton, My thanks to all of them.

So moving on to the results - a fantastic ride by Michael Gill (AeroLab Ward WheelZ) of 48:12 to take overall first place by nearly a minute, with Adam Duggleby (Chapeau! Vive le Velo) recording 49:07 – both riders putting in outstanding sub-50 minute performances.

First overall lady was Matilda Gurney (Spalding CC) in a rapid 1:2:07,

There are also other exceptional rides with Matty Cole (Team Bottrill) improving his course time from 2020 from 56:22 down to an impressive 55:45 at just 16 years of age. At the other end of the scale we have Lee Foster at 71 years still able to do a 1:01:40.

And last, but not least, the amazing time that Rob Carter (Cleveland Wheelers) did to take the Road Bike Category of 54:04 which should place him well in the AeroCoach National Series. Congratulations also to Emma Matthews whose road bike ride was one of the fastest female rides of the day.

My thanks to all those riders that took part with a strong and diverse field - which is what our sport is all about. I hope to see you all next year.

*\* please note that road bike rides will be included as part of the full chronological listing on the CTT website as there is no way to ID them separately as currently configured. AeroCoach have been informed separately of all road bike results.*
