In addition to the above Chronos RT would like to thank Michael Walker of Guide CC for donating a £25 voucher to each event winner to use on his website:

<https://guidecc.co.uk/> Michael has also kindly donated a 15% off voucher for every rider in the event.

Congratulations to all the prize winners and thanks to all who entered in this the 13th running of the annual Chronos RT 10 mile TT. It was a shame that the weather was so windy although it was in the right direction for this course.

Not too sure what will happen next year as it looks likely the work on the A421/A428 road upgrade will begin which may affect the availability of using the Caxton Gibbet roundabout - it may be possible to use the F2D variant.

**Thanks to Davey Jones Photographer and Team Chronos for making the event a success, we wish all the very best of health and hope to see you on the TT circuit soon.**
