For those that are still puzzled about the "Handicap Event" & their times. Well, we just take everybody's "boasting time" & match it against the fastest rider (allegedly) in the event (the scratch rider). If your "PB" is two minutes slower than theirs, then you have a two minute handicap, that two minutes is taken off your "actual finish time", simples!!!

Well done to all those riders who gained a "PB" on Wednesday evening. Lastly, a big thank you to riders from other clubs that helped us (dcb & Paddy) to put these events on. We have had some super mid-week events this summer at Greatham, thank you very much
