A NOTE FROM THE EVENT SECRETARY

After the recent ups and downs of the weather it was very nice to be greeted by a mild morning with dry roads, although of course many of you commented on the return headwind. Congratulations to all of those who rode and bad luck to the puncture on the way to start.

With an early start on a Sunday morning the traffic counts were as low as hoped, so in future events on U41 will probably run on Sundays to avoid the inevitable traffic build up for later starters by the Cotswold Water Park.

As always a huge thanks to my club helpers and officials. Today we had:

Paul Freegard – opening the HQ for you (supported by David English who also raced)

Owen Burgess – start official

Robbie Richardson/Martin Priestley/Peter Iffland – roundabouts observers and traffic counts

Lisajayne Booth – who called out finish numbers

And of course to the timekeepers Sue Andrews and Rob Hutchinson. Also of course thanks to the Bradstone Sports Pavilion for the use of their building and car parking which makes running the event so much easier. Their refurbishment appears to be going well.

Congratulations also to the tandem with a record breaking (for our course) combined age and the two very smart trikes. Coincidentally since a trike has never been ridden on this course we have two new course records – men and women!
