A very big thank you to our time keepers and marshals who made our first 25 TT Spoco race for many years a success. Without their contribution we would not be able to put something back into racing which we all enjoy. Congratulations to all of the prize winners, there were some outstanding times recorded and I think a new course record - still to be confirmed. With a light breeze, sunny conditions and light traffic it must have been a good day as 30 riders completed the course in under an hour, maybe another record?...
