#### Message from the organiser:

This 10 mile SPOCO event was the first Open time trial held under CTT rules and regulations in Teesside District since events were stopped in March 2020 as a result of the Covid-19 restrictions. It was also one of only a few Open events that are now scheduled for this year. To ensure the event ran as smoothly as possible the DCC Race Committee held a number of planning meetings, spent countless hours on preparations and completed two practice Club 10 events ahead of the big day.

I would like to take this opportunity to thank all the volunteers from Darlington Cycling Club for making this event a success. Without your help it would not have been possible!

I also appreciate guidelines have been very strict and there was a lot of information sent out in the start sheet and displayed on the day. I want to thank all competitors for respecting our instructions, this also made a huge contribution to the success of the event and will help us complete our schedule for the remainder of the year.

Please see next pages for results in each category.

Darlington Cycling Club are hosting a 25M TT on the 23<sup>rd</sup> of August, it would be great to see you there!

Thank you!  
Marcel

*N.B.: We have had to make the difficult decision to record 6 riders as DNF in accordance with CTT regulation 17 since they did not return to HQ to sign out. We are very sorry about this. Please remember to sign out in future events.*
