The age awards will be engraved and posted out asap. The individual awards will be engraved and presented at the Champions Celebration on 20th January 2024.

Roadbike TTs are something we have built into our events from the start so to run a championship on behalf of the West DC was a great opportunity we are proud to have had.

These events are great to run, hopefully the team shown that with a few determined people what can be done and I would say to any Club / team that hasn't already its hugely satisfying running a TT.

Thank you to all riders that took part on the day, we truly hope you enjoyed the event.

The biggest thanks go to:

Greg from Bomber Bikeworks - brought a cake, supported the event and was based at the start giving everyone a decent push of the line.

Sheldon White and Dad - Marshalling at the Acton Turnville turn.

Arran Armstrong - Helped with the early morning putting out of the signs and was the teams representative at the HQ

Lee Williams - on the hill before the finish

Matt Cox - at the first turn off the A420.

Russell Rubas - Also at the first turn with Matt

Olive Holiday - At the Tormarton turn.

Floren Scrafton - put in a cracking ride then went to marshal after

Your Time Keepers on the day - Mike Halgarth - Start with Sue Andrews a Andy Greatwood and Dennis Davies who have helped and supported us at every event we've ran at the Finish,

Your brilliant of selection of muffins and bars where kindly donated by Warmley Waiting Room - www.warmleywaitingroom.co.uk

With team rider Clare Parkin providing a cake as well on the day.

Jon at Pedalling Perfection kindly supported the Childcare to ensure it ran and remained a free service, hopefully this option will be available at more events in the future to support riders www.pedallingperfection.com

A personal thank you goes to Stewart Smith of the CTT, a huge help before, during and after the event, Stewart was there early and the last to leave, so much work goes on behind these events that no one every sees and we feel this deserves recognition.

Thank you again.
