Organisers Comments

My sincere thanks to all those who turned out on the day to help run this Event; without this help these Events would never take place & in 2020 such events have been sorely missed by so many.

My thanks to you the Riders for entering, many of you having travelled from afar to so do. Many thanks to those who apologised in advance for their impending absence; this all helped things run a little more smoothly on the day & make this another successful **Coventry CC Promotion**.

Hopefully you all enjoyed the Event; I expect some of you will be very pleased you made the effort looking at the number of PB's amongst the times. We look forward to receiving your entries once again for our 2021 promotions.
